

Go Train is a gateway to widening participation, re-engaging learners with learning, building confidence and, through cooperation with you, progressing these priority learners onto your College provision - including apprenticeships and in work learning. We can also introduce our existing employers to your apprenticeship provision.

OUR TRAINING

- Re-engagement - independence, goal setting, personal and social skills.
- Vocational skills in retail, travel, hospitality, care, warehousing and logistics, transport, agriculture, finance, digital.
- Short intensive programmes - 1 to 6 weeks.
- Qualification Achievement Rates of 96% consistently.

PROGRESSION TO COLLEGE AND WORK

- Links to 250+ employers which we can share with you.
- Re-engage learners who have not thought about the value of learning to their career and personal progress.
- Once re-engaged these learners can be introduced to further learning and apprenticeships with College partners.
- 96% of learners agree that their course has prepared them well for their next stage.

LINKS TO EMPLOYERS INCLUDE:

- **Infrastructure** 175 staff, 27+ centres across the UK in devolved and non-devolved areas.

“ This was an inspirational session, the tutor was able to provide a huge amount of information from her life and work experiences. She was motivational and a great role model for the unemployed. Learners when questioned felt empowered from their experience of learning. - *City & Guilds Examiner* ”
