Kelvin believed that his physical disability, as well as a two-year employment gap, were barriers to employment. He was referred by Scarlett at Hoxton JCP to undertake training with us and successfully completed Employability, Personal Social Skills, Basic IT and Certificate in Progression.

The first interview Go Train arranged for Kelvin went really well and he bagged the role of Retail Sales Assistant with TKMAXX.

HAPPY TO BE OF SERVICE IN MAIDSTONE & TONBRIDGE

Callum's ideal job was to work as a Prison Officer.

Callum said: "I lacked confidence and communication skills but the tutors and staff turned that around for me. I had a goal but didn't have the positivity to achieve it. Now I have been given the chance to prove that I can be a Prison Officer. I am so grateful for the support and encouragement from the staff. Without them I wouldn't be where I am."

When Patony came to Go Train, she felt she was only capable of working in bars and pubs. During the course, Patony's ability shone; she demonstrated how capable she is and she also began to believe it. She has now secured full-time employment with McColl's in Tonbridge.

INTU EMPLOYMENT IN GRAYS

Ratchnaee hadn't worked since December 2017 and was understandably nervous about coming to Go Train. She also had some health issues, but she was eager to get back to work. After completing the Workwise programme, Ratchnaee quickly found employment as a cleaner with Intu Lakeside. She feels her success is due to her feeling so motivated while in the Centre, as well as improving her skills and self-esteem. Ratchnaee said she thoroughly enjoyed learning with us.

HANNAH SMASHES IT IN DARTFORD

"My first course with Go Train was PSS and it helped me to understand that I am capable of anything. Before this, I had a bad attitude. I thought that everyone was against me and that no one wanted to help, but the whole team at Go Train - Romee, Kelly, Shannon, Johanna, Bindesh and Jonathan - helped me to understand myself. Also, my language was appalling and I kept getting told 'Hannah Language!!!!'. By my first interview, I felt excited and

confident and I was told that I'd been the best candidate of the day. I went back to Go Train and told them I had smashed it. Within an hour, I received a call to say that I had been successful and I was given an immediate start date. I cannot explain without swearing just how pleased I am. If it wasn't for Go Train Dartford believing in me and making me focused, I would never have got this. So Thank You So Much GO TRAIN DARTFORD!!!!©!"
